A resident has had on-going issues with the Town based on permits and variances. Jay Hickey approached the Board to discuss. Letters were reviewed and the ZCO expressed concerns over where the situation is going.

Joanne reviewed her conversations with the ZCO and the resident. Keith expressed his thoughts as to what steps the resident needs to take in order to address his concerns.

Jay will write a letter to the resident as to the direction he needs to take.

Joanne motioned to end the non-public at 6:30pm. Keith seconded. All in favor.

Respectfully submitted,

Joanne Randall
