

3/16/10

7PM

Final Minutes

Emergency Meeting (to discuss water damage from water heater)

Attendance: Joanne Randall, Chair, Bob Blodgett, Selectman, Barb Clark, Office, Larry Caraway

Absent: Keith Cota, Vice Chair

Larry said he spoke with his insurance company today and his policy will cover all the work necessary for repairs to the building. He has hired Tom Hebert and Doug Smith to do the work. The walls will be cut 2 feet up from the floor and the insulation will be removed. After the areas have had time to dry, walls will be replaced. His insurance will also pay for the clean up and refinishing of the floors.

Larry would like Barb to coordinate a work schedule with Tom that is acceptable for the office and the repairmen. Larry will sign the papers from ServPro authorizing them to bill the insurance company for their work.

Barb mentioned that she filed a claim with the Local Government Center today.

There was no more discussion. Joanne motioned to adjourn. Bob seconded. All in favor.

Meeting was adjourned at 7:15pm.
