Website Committee
9/15, 2009

The Web Site Committee met on Tuesday, September 15th. We discussed the current status of meeting with businesses to talk about the concept of their participation by paying for ad space on the new web site. At this point, emails have been sent by Joanne Randall to introduce the concept and to alert the businesses that Norm Gentry will be contacting them.

As of Sept 15th, one business has been contacted. The discussion was valuable in that questions were raised concerning the possibility of a tiered system. We decided to consider this as a possible alternative, but would prefer to find a critical mass of "full share" participants to start the project.

The next meeting will be on October 20th at 6:30pm.

Respectfully submitted,

Norm Gentry, Chairman
