

Minutes of the Epsom Cemetery Trustees Meeting, Tuesday, September 20, 2011

The meeting was held in the Epsom Library at 7pm.

Present: Trustees Hugh Curley, Whitey Foss, and Carol McGuire.

The Trustees discussed the budget for next year, and agreed that Hugh would try to go out for a 3-year mowing contract, and include some additional funds for maintenance.

Hugh is working to collect better records of the plot sales and burials over the years, but has not made much progress.

Whitey has looked into the wiring of the well pump at McClary and agrees that it needs some preventive maintenance for safety and to make it easier to turn the system on and off for winter. The trustees voted, 3-0, to spend up to \$2000 to update the wiring, if it falls under the town's bidding policy. This can be done in conjunction with turning the power off on Columbus Day.

The next meeting will be October 11, 7 pm, at the library.
