Epsom 2009 Hazard Mitigation Plan Update

**EPSOM (January 26, 2012):** A Hazard Mitigation Committee has formed to update the Town's adopted 2009 Hazard Mitigation Plan. Its update will enable the Town of Epsom to retain eligibility for federal reimbursable recovery and pre-disaster funding. Natural, technological, and human hazards will be reviewed and documented. Community leaders will identify objectives and actions for reducing the impact of these hazards to Epsom's people, buildings, and land.

The Hazard Mitigation Committee will hold a meeting on Tuesday, January 31st at 6:00 PM at the Town Office Meeting Room at 948 Suncook Valley Highway, Epsom. All are invited to attend and participate. The draft Hazard Mitigation Plan is anticipated to be completed in spring 2012.
