

MINUTES

Epsom NH Conservation Committee

February 16, 2017

Attendees	Guests
Alison Parodi, Chair Sarah Barnum, Member Cal Preston, Member Denyce Gagne, Member Donald Gagne	

Old Business:

- Some trail signs were installed but due to lack of mounting hardware and weather conditions, task could not be completed till spring.
- Minutes of previous meeting approved.
- Beaver trapper, Fred Sargent, contacted but did not appear to be interested. Further research for trappers to be made.
- Fact sheet for Volatile Inorganics located and sent to resident for informational purposes.
- Signage for winter parking has been installed.

New Business:

- Monitoring reports still to be finalized.
 - Letter to Smith property owners to be sent.
 - Jackson property for Town Forest has been walked and mapped out, LCHIP to get copies.
- Road side cleanup to be in March with seed packets to be given and be promoted thru newspaper.
- There are 3 potential projects in town and attempt to connect with Bear Paw to be made regarding them.
- Selectman Harty contacted with regards to updating web site. Responded with name of Kelly Dearborn Luce as contact person. E-mail has been sent to Kelly asking that we make arrangements to discuss this task.
- Basic outline for NRI review has been distributed.

Next meeting: March 16, 2017
