#### **Old Business:**

- Discussed River Tour and E-mail Denise sent. Alison is checking with Denyce to see who else the invitation was sent to. We would still like to try to coordinate something in the fall with some notice. Perhaps be able to have it at the library.
- Barton Property was discussed. A site visit to be coordinated with Mr. Barton, Bearpaw and Epsom. Sarah will be Epsom representative.
- Harkness Property is undergoing LCHIP application. Owner aware of the reason for the delay and willing to wait. Alison needs to inform the select board.
- The little houses (Boston Getaway) clarified their signs so people are not getting lost.
