II. Fundraising Updates

Meadow reported that the GoFundMe raised \$2,200 and it will be deposited in our account once a month.

She will continue to campaign and do another push early to mid-April in time for tax returns.

It was discussed whether we should buy additional lists, Chuck asked about doing a newspaper ad and Virginia is going to email Ray Duckler about putting it in the Suncook monitor.

Virginia also said that she planned to put a donation jar at the town clerk's office.

As a group we discussed donor levels and possibly changing them to reflect the individual upgrades that we are going to do. Chuck recommended that Virginia come up with a list of things to sponsor.

Kristy presented several options for ornaments and fundraising opportunities. The group discussed a calendar raffle. Virginia will help organize that.

As a group we decided that we were going to buy glass ornaments to sell as a fundraiser and Kristy will call Old Hancock glass to find out the logistics.

Virginia will get approval from the BOS for old home day for selling raffles.

Kristy volunteered to do a paint night and she will work with Meadow and Virginia on the specifics.

We decided as a group that we will not set up a table at Town elections as the weather is supposed to be cold and it could be a miserable day.
