*Webster Park Phase 3 Reopening Guidelines – July 2021*

We recognize the role the Board of Selectmen and Epsom Parks & Recreation Department plays in the safety of our residents and we take that responsibility seriously. We can ensure you that your safety – and the safety of every resident – or non-resident, either as a participant in, or a spectator of, any event being held at Webster Park – is our number one priority. We encourage all those visiting Webster Park to review the information and follow the guidelines provided by the [NH Department of Health and Human Services concerning COVID-19](#).

- Webster Park is carry in / carry out. Please take any trash with you when you leave.
- Playground equipment is not sanitized.
- Webster Park is to be used at your own risk.
- All events require a Reservation Application and Fee (see [Webster Park Reservation Policy](#)).

These guidelines will be updated as necessary.
