1 Introduction and Roll Call for Meeting Participant Attendance Sheet - New Word Oct-Dec Timesheet

- Virtual **Meeting Attendance/Timesheet** at every Meeting and Work Session
- Poll check: Hazard Mitigation and Severe Weather Event Survey – 76 responses to date!
<https://www.surveymonkey.com/r/EpsomNH-HazMit>
- ≥ HMC Task- **Submit your Jul-Sep Individual Match Timesheet to Stephanie as salexander@cnhrpc.org.**

2 Finalize Problem Statements and Identify Those to Utilize as NEW 2023 Mitigation Actions - See PDF

- Rewrite Critical & Community Facilities Problem Statements as needed. – Begin at Recreation Table, page 15
- Develop relevant Problem Statements into New Mitigation Actions.

3 Review and Update Goals and Objectives as Needed for 2023 – See PDF

- Review and/or revise each Hazard Category's G&Os to align with current issues as needed.

4 Begin to Review and Update Capability Assessment – See Word

- Ch 6 **Capability Assessment** – LARGE Word document, many updates for each Dept/Board/Comm.

Needs too many HMC meetings to update Cap Asst – not effective use of our HMC time. Can a Town staff member sit down with each Department/Board/Comm to update the Word doc? Or follow through with each Dept/Board? Meetings without Stephanie? Other?

- How to approach in Epsom? This would take several group meetings to undertake unless there's an alternate solution?

Next Meeting: Work Session 2.2 on WED 10-11 @ 4 PM
