#### 2 Determine Status of the 2018 Mitigation Actions - see Action Status PDF

- Review 2018 Plan's Actions and determine either Completed, Deleted or Deferred status (below) for each Action.

The Action was **COMPLETED** when? Month & Year

This Action was **DEFERRED** from 2018 because....

- Action needs to be **repeated** to be effective.
- **More time** is required for Action completion.
- Town lacked **staff or volunteer capability** to complete.
- Town **lacked the funding** to complete Action.
- Action was a **lower priority** than other Town activities.

This Action will be **DELETED** because Action....

- is **no longer necessary** or a priority to the Town.
- is **not relevant** to the Town's current situation or objectives.
- is **unrealistic** to complete.
- is **financially** infeasible.
- is incorporated into **another activity**.
- **duplicates** existing efforts.
- is a **preparedness, response, or recovery** activity.
- is **Ongoing** and is moved to Capability Assessment.

#### 3 Provide Observations on the Epsom 2018 Plan and the New 2024 Plan Update
