AGENDA

Location: Epsom Public Library

The purpose of this Subcommittee meeting is to allow for work sessions to develop Zoning Amendments for the March 2023 ballot. Once these work sessions are completed the proposed ordinances and/or changes will be reviewed with the full Planning Board at a posted meeting open to the public. Once that step in the process is complete, the Board will then post a public hearing to allow public input. Anyone from the public is welcome to attend the subcommittee and Board meetings, however public input will not be heard until the public hearing on the proposed amendments.
