Re: Case 2023-07 (Harrison – Var.), Motion for Re-Hearing

Dear Attorney Muller:

The Epsom Board of Adjustment reviewed your motion for a rehearing of Case 2023-07 (Harrison – Var.) at our meeting held on August 16, 2023. Following deliberation which found no new compelling evidence which would warrant a rehearing and no errors in process or law, the Board voted to deny the request.

Sincerely,

Glenn Horner, Chair
Board of Adjustment
